If you've been looking to buy a new home designed with the very best finishes and a faultless layout, then this property is for you. This beautiful, recently completed home ticks all the boxes and is conveniently located just minutes from Corowa's main street. Boasting four spacious bedrooms in total, the impressive master suite is complete with a sparkling ensuite featuring a double vanity and a walk-in robe. The other three bedrooms are well-proportioned and all include built-in robes. The main bathroom is spotless, with a separate toilet positioned adjacent. A separate laundry with a huge linen cupboard adds to the home's practicality and abundant storage solutions. The huge open-plan kitchen, living, and dining area is light-filled and modern, creating a welcoming space for family and friends. The grand kitchen is a standout with its tiled splashback, gas cooktop, beautiful pendant lighting, and spacious walk-in pantry. Additional standout features of this property include a second living room, a two-car garage with internal entry to the home, LED lighting throughout, evaporative air conditioning, ducted heating and solar panels. Outside, a blank canvas awaits, ready for the new owner to put their personal touch on. The garden area is already fitted with a large water tank, providing a solid foundation for future landscaping projects. Ready to move into this perfectly completed home and start enjoying it immediately? Schedule an appointment today; you won't want to let this one get away.
