Quiet locale with loads of updated appeal

Pretty as a picture sitting behind a picket fence, is this semi modernised, single level weatherboard abode. Situated at the end of a no through road, minutes to Croydon's amenities including the train station and local shops, the property offers first home buyers, small families, investors and downsizers with an opportunity to enjoy laid back and low maintenance comfort, with convenience as a stand out feature. Recently repainted and showcasing exposed timber floors throughout, discover 3 bedrooms with ceiling fans, a semi updated family bathroom with deep bath that invites long restful soaks, a spacious open plan kitchen with modern stainless steel appliances, and a sunny living and dining room with a split system. Plantation shutters dress up the front windows, with modern roller blinds throughout the rest of the home, whilst ducted heating, a rear deck, large front yard and a low maintenance backyard with access to the carport, add comfort and practical solutions.
