DREAM OPPORTUNITY 🏡 Delightful Home on 685m2 in Blue-Chip Position!

Perfectly positioned in one of Aspley's most popular and convenient streets, this beautifully maintained post war home will immediately impress you with its presentation, location and deceptively large floor plan. Nestled in a whisper quiet and beautifully tree-lined position, the home is within safe walking distance of excellent local schools (Aspley East State School & Aspley State High catchments), Robinson Road Marketplace (Coles), Aspley Hypermarket, bus and train transport, and just moments from the amazing Westfield Chermside shopping and entertainment precinct. This family friendly location is simply superb, and is within easy reach of the Brisbane CBD (12km), Prince Charles and St Vincent's Hospitals and a short drive to the Brisbane Airport and Sunshine and Gold Coast motorways.

The home provides a spacious floorplan that includes a wide front veranda perfect for outdoor relaxation, 3 sizeable bedrooms, a living room, huge separate multi-purpose room, well-appointed kitchen and meals area, neat and tidy bathroom (plus a 2nd toilet), massive internal laundry and internal access to a garage and workshop. The level 685sqm block is perfect for families and those seeking space and separation from neighbours. The home has been well maintained by long term owners and can be moved into or rented out immediately.

Given the wide 22.7 metre frontage and amazing position close to multiple retail centres and public transport, there are strong future redevelopment prospects for this property (STCA).

Every now and again something extra special comes along, and this home is certainly one not to be missed.
