This well proportioned three bedroom terrace is conveniently located with everything at your doorstep. The ground level of the property features a bedroom with ornate fire place, which would also make a perfect office space, a separate living space with ornate fire place open to a tiled dining room, and a separate renovated kitchen with gas cooking. There is also an oversized renovated bathroom and a small fully paved rear courtyard. Upstairs there are two double sized bedrooms, the main bedroom with ornate fire place, and access to a balcony. Located just off New South Head, there is easy access to open green spaces of Trumper, and Rushcutters Bay Parks, as well as walking distance to Edgelciff Centre shops and transport and within easy reach of popular Paddington, Double Bay and Woollahra amenities.
