Peak Property is proud to bring to you this luxury home in Wynnum's most convenient, yet quiet location. Within a few minutes walking distance to the beach, and just a 2min drive to the Coles and a 10min walk to the train station, you really are in the centre of it all. The list is so long with this house, we hardly know where to start. With it's 12 foot ceilings, ducted A/C throughout and expansive open spaces it really is a well designed home. There are 4 bedrooms down stairs and the master, with it's ensuite and walk-in robe, being situated upstairs. The living room upstairs is extremely large and opens out to the large front deck that has views to Moreton Island. With a large open-plan, ultra modern kitchen with stainless appliances, the upstairs area is finished off very nicely indeed! At the rear of the home, you'll find a patio that overlooks the fenced rear yard. There is also a large double lock-up garage for those that need storage for 2 cars plus many toys. This gem will be snapped-up quickly. Submit an enquiry below to arrange a private viewing before this one is gone for good.
