THE DEAL

Barely five years young, this impressive light-filled 3 bedroom 2 bathroom villa forms part of a chic trio and allows you to experience the ultimate in modern easy-care living.

Inside, the airy open-plan living, meals and kitchen area is the perfect main hub with its attractive tiled floors and sliding-stacker doors that seamlessly connect it to the covered outdoor alfresco-entertaining courtyard. The kitchen itself boasts stone bench tops, stainless-steel appliances, a matching dishwasher and a breakfast bar for effortless cooking and dining.

The master suite offers a sleek ensuite with a stone vanity, while the quality main bathroom includes a shower, separate bathtub and elegant stone finishes of its own. Extras like a striking portico entrance, carpeted bedrooms, ducted air-conditioning, down lights, an alarm system and full-height mirrored wardrobes add sophistication and comfort.

Complemented by a double lock-up garage and low-maintenance gardens, this impeccable home combines style and convenience in a prime location.

SEALS THE DEAL

A desirable lock-up-and-leave lifestyle beckons, within metres of lush local parklands, playgrounds and Yuluma Primary School and so close to public transport, other excellent educational facilities, major shopping centres, the freeway and our pristine Western Australian coastline.
