Welcome to 49 Kendall Street, Oxley - where charm meets modern comfort! This home is not your average Joe; it's had a full-on makeover and is bursting with personality. Say hello to your new happy place, with a front entertaining area that gives you primo views of The Oxley reserve. Talk about a picture-perfect welcome mat! Step through the front door and prepare to be dazzled by the brand-spanking-new interior. We're talking polished floors that shine brighter than your future, a split system air conditioning unit to keep things cool when the Aussie sun gets feisty, fresh paint that's so crisp it'll make you want to hug the walls, and brand spanking new blinds and security screens – because, well, safety first! Oh, and ceiling fans? Yep, they're in the mix too, ensuring every room feels like a cozy cuddle. Let's talk kitchen goals! Just around the corner awaits a kitchen that's not just a pretty face – it's got stone benchtops and stainless-steel appliances that shine brighter than your favorite cooking show. There's even a dishwasher to save you from post-dinner squabbles! Now, follow the hallway yellow brick road (okay, it's not yellow, but it's just as magical) to three cozy bedrooms. They're not just rooms; they're havens with double built-in robes and ceiling fans – because comfort is non-negotiable. The master even has its own split system air conditioning, because, well, why should the other rooms have all the fun? Oh, and the bathroom? It's fancy, with floor-to-ceiling tiles, a separate shower, and a bath that's just begging for a bubble bath party. Plus, there's a separate toilet for those 'I need my space' moments. But wait, there's more! Explore the back and find a fully fitted laundry room and a backyard that's bigger than your dreams. It's fully fenced, perfect for mini humans and furry pals to run amok. Psst, there's a brand-new shed too – consider your garden storage problems solved! Need convenience? We've got you covered with a lock-up garage and Oxley station less than 600m away (if you're a crow, that is). And let's not forget the nearby shopping precinct, where you can grab your morning coffee, shop 'til you drop, and even do your grocery run at Woolworths. Education buffs, rejoice! Corinda High and other quality private schools like St Aidan's and St Joseph's are a hop, skip, and jump away. Golf lovers and pony enthusiasts, rejoice too – your favorite haunts are just a moment's drive away. Ready to embrace the good life at 49 Kendall Street, Oxley? Come on over and start making memories – this home's waiting to welcome you with open arms!
