\$475,000 - \$520,000

If you are an astute investor seeking return on your investment, look no further. This is the right opportunity to start or add to your investment portfolio with this low maintenance, modern townhouse, located in a private spot in Strathdale. The home is rendered BV with colourbond roof, circa 2014, with neutral décor. Offering 3 bedrooms with carpet and BIRs, ensuite and main bathroom, ducted RC heating and cooling, single carport, and parking for an additional vehicle. The open plan kitchen and living area is fully tiled with access to a small, paved courtyard. Currently returning \$2000 p/mth til September 2024, this property ticks all the investment boxes. Call for more information.
