A brand new architect-designed residence from Haptica Studio, this is a beautifully considered contemporary build of natural light and great adaptability, finished with a separate studio above the garage. With separate access for the front bedroom, it's specifically designed for home office functionality, work-from-home life, and the modern family. In a well-regarded pocket with plenty of street parking, and set in Dulwich Hill Public School catchment. Highlights* Oversized bedrooms, high-end appliances* Flexibility of separate studio atop garage* Sep. access for main residence front bed* (Designed for office/work-from-home life)* Plenty of integrated storage throughout* Open plan living/dining, large backyard* Front garden, set back from the street* Sky-lit internals, maximum natural light* Electric privacy shutters, large garage* 10-min walk to Train Station & Light Rail
