The rich display of textures and tones is reflected across the meticulous mix of materials, where stone, timber, tiles and glass converge to create an executive modern aesthetic. Your stylish centrepiece for lounging and dining, the living area provides a relaxing retreat that extends to the bar and sublime Smeg kitchen, featuring waterfall stone benchtops and extensive storage to aid in meal and cocktail preparation. Forming a secluded escape to sit, swim, play and entertain outdoors, the alfresco area is tucked away at the rear with a swimming pool, a secure backyard, an undercover terrace and a built-in BBQ. The open-plan study and four generous bedrooms upstairs are serviced by three bathrooms (including two ensuites). The primary suite soaks in sunshine from its private balcony and offers an added touch of luxury with double rainfall showers and dual vanities.
