## **Price Guide \$1,200,000**

Welcome to your dream country manor! This custom-built property offers five bedrooms, two ensuites, and an open plan living area with multiple living zones for maximum comfort and convenience. Situated on a generous block with amazing natural bush views, this unfinished project is almost complete - just waiting for your personal touch to make it truly spectacular. Quality construction and fittings are evident throughout, with a six-car garage under the main roof providing ample storage space. The property also features a separate paddock and dual access for added convenience. Don't miss this rare opportunity to own a one-of-a-kind property with a fantastic family-friendly layout. Bring your tools and finish this dream country manor, then sit back and enjoy the peaceful surroundings. Call today to arrange your private viewing.
