## **It's Your Turn To Love Weeroona!**

Just when you thought you had lost her forever, she re-enters your life, just as beautiful as ever, yet with a saucy makeover in all the right areas that screams, "I'M THE ONE"!

Arriving at her doorstep on the corner of King & Allan Streets, Weeroona's pose makes the heart beat a little faster. Her presence is nothing short of beautiful & her proud facade captivates the most seasoned of buyers.

Internally she doesn't disappoint with grande features abundant, polished floors, decorative ceilings & that unmistakable essence of Luxe.

Spread across two levels with the main living & childrens bedrooms downstairs, Weeroona has you in the palm of her hand. Beautifully renovated in recent times, including your dream kitchen & bathroom & multiple living & entertaining areas - there's a place for everyone, though you'll never want to share.

Ascending the staircase & arriving on level 1, your parents personal retreat is nothing short of bespoke. Leaving nothing to be desired, the oversized bedroom with custom cabinetry, absolutely stunning ensuite & one of the best walk in dressing rooms we've seen, awaits! There's even a chance to lock the world away from your abode & forget what's happening underneath.

Park like gardens will impress those who like to potter & the entertaining deck underneath the plane tree, is lit up like Christmas all year round. Of course there's a pool to delight, with full travertine surrounds & enough yard for children or pets to be to be spoiled in each day.

From the traditionalists to the Hedonistic, Weeroona cannot be denied & if you think you're too old to fall in love again, I must say, think again, Weeroona will prove you wrong!
