BUILT WITH THAT SPECIAL TOUCH OF CLASS

Dressed with sought after quality and individual be design, this beautiful family home being offered to the marketplace for the very first time will offer you that lifestyle you've always dreamt of. Impeccably presented, we challenge buyers to find a home cleaner than this one... Comprising four fitted bedrooms, master with ensuite and WIR, great sized formal lounge room, large hostess kitchen with upgraded appliances adjoining the tiled meals area and then a magnificently large rumpus room. Appointments include brand new carpets throughout, window shutters throughout, gas ducted heating, evaporative cooling, updated colourbond fencing right around the entire property, quality surrounds, lovely landscaped yards, beautiful streetscape and an enormous in ground solar heated swimming pool making this property the ultimate entertainer. A double remote garage provides drive through access to the incredibly large all weather pergola area making way for all kinds of buyers. One lucky purchaser will start having those fun times with family and friends in a desirable and truly sought after location, within the Kingston Gardens estate. Truly a wonderful opportunity awaits so be quick to book your inspection.
