Welcome to your dream home, a haven of comfort and elegance. This fully updated beauty boasts 4 bedrooms and 2 bathrooms, perfect for housing your family or your extensive collection of throw pillows. The entire home has been fully painted, allowing you to bypass any DIY projects and enjoy immediate relaxation. And you'll find not one, but 2 living areas ideal for when you and your loved ones can't agree on what to watch. The large kitchen is a chef's paradise, with enough counter space to prepare a feast or stage an impromptu cooking show. Plus, with plenty of natural light, you can cook with confidence, knowing you'll never mistake salt for sugar again. The great outdoors awaits with a large front and backyard. Imagine the epic games of tag, gardening marathons, or just lounging in a hammock under the sun. And did we mention the large pergola? It's perfect for BBQs, birthday parties, or pretending you're on a fancy vacation. Parking woes begone! With space to park up to four cars, you can finally start that collection of vintage convertibles or just have plenty of room for your friends when they come over to admire your amazing new home. All this on a generous 471 square meter block. So, whether you're planning a garden oasis or a mini theme park, you've got the space.
