If you've ever experienced the luxury and sophistication of a Plantation Homes build, you'll understand the appeal of their designs and layouts. Well, this one is no different... If you're looking for a spacious family home that oozes elegance, this is the one for you. Sof & Chris Team from Stack & Co Property are thrilled to present to the market 5 Driver St, Palmview - 450m² of pure Plantation Homes Perfection. Located in the heart of Harmony, just steps away from the future town centre and nestled between two stunning parks, this home offers convenience and beauty in equal measure. Offering a dual-living layout, everyone in the family will be happy to have their own space and sanctuary. The kids will adore the second living area/theatre room, perfect for those Netflix marathons of the latest TV show or simply cosying up to read a book. For the culinary enthusiast, the expansive designer kitchen is a dream come true, featuring double ovens (perfect for those Sunday Roast Dinners right?) and a butler's pantry to create your Pinterest-worthy storage space complete with a wine rack for your favourite vintages. Garden lovers will appreciate the already-built garden beds, and easily create your veggie or herb garden - imagine having aromatic herbs at your fingertips for family curry nights or homemade pesto on demand? Now we're talking! Think of yourself as more of a fashionista? Well yes, we're saving the best til last. Just wait until you see the size of the walk-in-dressing room and hotel-like designer bathroom. Pure luxe and by far the best on offer in Harmony today! Weekends and days off will be spent exploring the Sunny Coast known for its pristine beaches, waterfalls, and rainforest hikes.
