This charming family-oriented residence is ideally located just a short stroll from Oliver's Hill Beach. The original double-story home exudes character and offers expansive interior spaces perfect for renovation and with detailed craftsmanship throughout. With just a five-minute walk to the beach, this home promises a lifestyle of leisure and relaxation. Upon entering this enchanting property, you'll be greeted by a picturesque entryway that sets the tone for the storybook charm within. The focal point of the ground floor is a stunning timber staircase, elegantly dividing the generous living areas and with a downstairs bedroom that could be easily transformed to a study or guest bedroom. Boasting four bedrooms and two bathrooms which are ideally located on both levels, featuring spacious living and dining areas which seamlessly integrated with a fully functional kitchen complete with ample cupboard space. The backyard is a tranquil retreat, featuring a majestic Robina 'Frisia' tree, ideal for entertaining during festive seasons or special occasions or even to enjoy a morning coffee in the peace and quiet. Upstairs the balcony offers glimpses of the ocean and the Frankston city skyline, providing a serene spot to unwind and enjoy the views and sky lights. Situated on a generous 780 sqm block, the property presents an opportunity for potential subdivision (STCA), adding further value to this already desirable location. Completing the package is a garage workshop with drive-through access, providing space for one car, along with open parking spaces for an additional two vehicles. This home offers ample room for the entire family to live, thrive and prosper! Don't let this opportunity slip away - seize the chance to make this remarkable property your own.
