Elegant Tri-Level Living with Sunset Valley Views

What You see:

Set in the serene enclave of Terranora, this bespoke tri-level residence epitomizes luxury and modern comfort. Designed by a private builder with a keen eye for detail, the home boasts premium finishes, spacious living areas, and an orientation that captures the beauty of the northern valley sunsets. Welcome to 5 Feathertop Street.

What We See:

From the moment you step inside, the warmth of timber flooring flows through each living space, creating an inviting atmosphere. This home is as functional as it is beautiful, offering an effortless indoor-outdoor connection with a sun-soaked balcony that frames breathtaking valley views—perfect for enjoying a glass of wine as the sun dips behind the hills.

The heart of the home is a bright and spacious living and dining area that invites you to relax and unwind. With solar-powered sustainability and top-tier craftsmanship, this property blends luxury with eco-conscious living. The master suite, situated on the middle level, offers privacy and tranquility, complete with a luxurious ensuite and large walk-in robe. Three additional spacious bedrooms, each with ample storage, ensure there's room for the entire family or guests. Every room benefits from the carefully designed aspects, basking in natural light and the beauty of the surrounding landscape.

Whether hosting a summer barbecue or simply unwinding in peace, the expansive balcony captures panoramic views of the valley, making every evening a stunning spectacle. This home offers more than just a view—it provides a lifestyle that embraces the beauty of nature from the comfort of your own space.
