Living the Life - Pagewood Park

Local lattes are within steps, Southland is within a stroll, the pool and courts are yours to share and true single-level living is right here - this is the place to access it all. At the gateway to the tightly held Pagewood Park Estate, this sizeable 3-bedroom, 2-bathroom freestanding home offers easy-access to every lifestyle amenity you could want. Expansive by design with lounge, dining and kitchen areas beneath a soaring vaulted roofline, this easy-living design has a double bedroom zoned with a super-sized two-way ensuite-bathroom. A fully renovated family bathroom and laundry reside at the rear of the home. A private rear courtyard is accessible via a series of glass sliders from the children's playroom. Presented in classic style with an updated modern kitchen with breakfast bar, gas cooking, under-bench electric stove and dishwasher. Vinyl timber floors feature throughout the home including the main living and traffic areas, this well-appointed home is an absolute Star with split system heating and cooling and an easily accessible single garage.
