## **Versatile Family Home in a Prime Location**

This sleek and stylish family home embodies modern elegance, making it a perfect choice for first-time buyers, growing families, or savvy investors. Designed with both practicality and aesthetics in mind, this property offers exceptional quality and a versatile floor plan.

The home features four bedrooms, including a spacious master with an ensuite. Each bedroom is equipped with built-in robes and shares a well-appointed central bathroom. The open-plan living area, filled with natural light, encompasses a family and meals space alongside a contemporary kitchen. Additionally, a separate living area offers the flexibility to serve as a study room or additional family space.

Step outside to a welcoming alfresco area that overlooks a low-maintenance yard, complete with ample grassy space for children to play. Conveniently located just moments from Strathulloh Primary School and a short drive from the train station and shopping arcade, this home provides the ultimate in convenience and lifestyle.
