Perched in an elevated position sits this beautiful character home. When you step inside you are greeted by soaring ceilings and lots of natural light with timber and character features throughout. The split level design provides flexible living and the property is surrounded by leafy gardens bringing an instant sense of ambience and tranquility. Offering a unique layout to suit any style of living, you will be delighted to discover all this home has to offer. The living area provides a comfortable space to relax and enjoy and the kitchen is well designed boasting generous storage, a chef's oven with gas cooktop and lots of bench space. The backyard offers inviting spaces to enjoy throughout the seasons centered by a tropical in-ground pool to cool off in the warmer months of the year. Situated in a very desirable street in Rochedale South, within minutes of all the conveniences and transport. Don't miss it! • Air Conditioning • Solar Power • In-ground Pool
