Showcasing an incredibly flexible floor plan, there is plenty of space for everyone to spread their wings, including those looking for generation family living, or a work from home scenario. With a plethora of living zones and a welcoming central kitchen hub, the flexibility this residence offers is both rare and inviting and simply something you cannot find in a new build or on a small block location. Nestled on a 834 m2 picturesque block, there is an abundance of outdoor space and ample features to keep everyone happy, as well as some discretionary space between yourself and your neighbours. Features include:

- Large, powered rear 6 x 5 meter shed
- TROPICALLY INVITING STREAMLINED INGROUND POOL
