BREATH TAKING VIEWS- AS NEW HOME- MASSIVE SHED

Set on a 1.03-hectare allotment, this as new 3-bedroom home offers modern comfort and functionality. The expansive open plan living area is perfect for both entertaining and relaxing, while a heat pump ensures year-round warmth and cooling. The master bedroom features an ensuite and a walk-in robe, and the other two bedrooms come with built-in wardrobes. The home is only one year old and is in excellent condition, making it move-in ready.

Outside, the property has beautifully landscaped gardens. There's also a 200sqm shed, which is 1.5 times the size of the house, ideal for a home-based business or additional storage. Additionally, a bonus shipping container provides extra space for your needs.

Located approximately 6 minutes from Claremont, which offers various services, and just a 20-minute drive to the city via a two-lane highway. The property offers breathtaking views, including the under-construction new bridge. This property will suit the most discerning buyer with nothing to do, it's all done, and it presents picture perfect.
