Perfect First Home with Sustainable Gardens

Discover the charm of this north-facing 3-bedroom, 2-bathroom ranch-style home, ideally situated on nearly half an acre of land. With a full-length front verandah, you'll enjoy sweeping views, making it the perfect spot to relax and take in the tranquil surroundings.
This property provides the ideal combination of comfort and space, making it perfect for those looking to bring their own design inspiration or simply move into their first home with ease.

The heart of this home lies in its spacious layout, cathedral ceilings and wood heater in the lounge room, along with a generous kitchen & dining area to accommodate a growing family. Stepping outside you will discover an inviting undercover entertaining area that's perfect for year-round gatherings with friends and family. At one end of the outdoor area, you'll find a well-equipped workshop, ideal for projects or extra storage.

The outdoors are equally inviting, with pathways that wind through a sustainable, leafy garden. Enjoy the bounty of your own fruit trees, veggie patches, and space for chickens, creating a true homestead feel right in your backyard. Whether you're looking to grow your own produce or simply enjoy the peaceful greenery, this property has it all.

If you're seeking a home that offers comfort, space, and a lifestyle centered around sustainability, this is a must-see!
