Large Family Home + Pool

This 4-bedroom brick and tile home has been very well maintained. Featuring four good-sized bedrooms, the main with an ensuite and ceiling fan, the other three rooms all have built-in robes. The entire house has ducted reverse-cycle A/C. The main bathroom includes a shower and bath, plus a separate toilet.

There is plenty of living space, with a lounge room at the front of the home featuring floating timber flooring throughout. A large dining area is off the kitchen, and a tiled Queensland room at the back of the house has its own split system A/C and roll down blinds for privacy. There is a large internal laundry with storage. The inground pool and pump shed are fenced separately. The retaining walls having been recently replaced. The property includes a double garage with a roller door at the back for drive-through access. The home is very private, with established shrubs and trees at the front, and is set in a quiet cul-de-sac location, just a short walk from Muswellbrook Fair.
