Classic Family Residence Featuring Granny Flat Potential

Why you'll love it:

Elevated on a beautiful street in the heart of Bossley Park, 5 Perry Street is the perfect opportunity if you're looking for a well-built and spacious classic family home. This split level gem offers an abundance of space within its rare living quarters, showcasing high ceilings, extra large bedrooms, and an abundance of underground cellar storage. Presenting a flowing floor plan, this family residence provides the perfect oasis for families of all sizes. Including: 5 spacious bedrooms, 2 bathrooms, multiple living, lounge and dining zones, open kitchen and oversized double car garage. With a spacious backyard, this family home is perfect for an investor or a family looking to build a granny flat (Subject to Council Approval) to accommodate for guests or to create a second income. Located only moments away from essential amenities, Stocklands Wetherill Park Plaza, and multiple schools, this home provides a high quality life style for all.

Featuring;

- Five large bedrooms
- Two bathrooms
- Oversized double car garage
- Flowing floor plan including; open planned kitchen, multiple dining and living rooms, outdoor entertaining alfresco, and an oversized double lockup car garage
- Quiet street located in highly sought after location with elevated suburb views
- Electric Block out shutters
- Alarm
- Ducted air-conditioning throughout
- Abundance of cellar and storage space on the bottom level
- Internal laundry with external access
- Harboursing granny flat potential (Subject to council approval)
- Location minutes away from Stocklands Wetherill Park, Edensor Plaza, Greenfield Park Shopping Village, Mary Immaculate Primary School and Bossley Park High School

Perfect for:

Perfect for medium to large families looking for a classic home with a sturdy build designed to be spacious and accommodating. Perfect for an investor or a family looking to build a granny flat (Subject to Council Approval) to accommodate for guests or to create a second income.
