I don't think that I've ever driven through the beautiful quaint seaside township of Orford without feeling that I would love to own a lovely piece of this one day that's close to the water's edge. I'm sure that I'm not the only one. Little wonder, with all the magnificent water sports, fishing, nature and quiet lifestyle that's on offer. It's possible to immerse yourself in all of this at an affordable price and in comfort if you are the lucky purchaser that secures this lifestyle home. On offer is a very modern, near new residence, which offers spacious living areas, high quality kitchen, bathroom, flooring and fittings, in the main house, but look at the ancillary structures that you also get. To begin with there is another external structure with a large room which easily accommodates a large bed and gym. It also has its own bathroom. Imagine how convenient this would be when you invite your friends and family to come play and stay. And what about the large workshop/garage. We need our toys and somewhere to work on them, in this case you even get your own welding bay. Look how much useable land is on offer. There's already a garden with plenty more scope to do so much more with. Whether it's a retirement lifestyle you are after, or just a peaceful location away from the hustle and bustle, this property will truly impress and as far as a weekend retreat, Orford isn't too far from Hobart. The amazing possibilities on offer here are only limited by your imagination. An opportunity not to be missed, so book a private viewing today.*The information contained herein has been supplied to us and we have no reason to doubt its accuracy, however, cannot guarantee it.
