Large family home

Set on an extremely generous allotment of 1,921sqm, this large family home is conveniently located in Meningie. The home is double brick and very solid. A concrete driveway to the carport under main roof. A huge family room with timber parquet flooring with plenty of natural lighting, and the convenience of window roller shutters. There is also a second lounge, which is very spacious. The timber kitchen is of good size with plenty of cupboard space and workbenches, including dishwasher. Three bedrooms plus a study with built in cupboards and nook. The bathroom needs some cosmetic love and is ready for you to make your own. Outside there are two sheds, both of good size and in need of some upkeep. The rear yard is fully fenced, safe and has ample room for the family to play and create memories. A great opportunity for a family to make this their forever home.
