There is more than meets the eye in this large three bedroom home that is located very close to the local park, boardwalk, marina and cafes. This lovely double storey property offers very large 'Open Plan' living on the lower level with a lovely kitchen that has a quality finish. The upper level of the home has three large bedrooms with built in robes and the main bathroom. The carport is attached to the double garage that also has the laundry and second bathroom. The garage could quite easily be converted into a 'granny flat' or teenage retreat. The grounds are fully fenced and the landscaping has been designed for minimum maintenance.
