Impeccable Coastal Home with Ocean Views

Meticulously designed with attention to detail, this four-bedroom home offers a serene coastal lifestyle, perfectly positioned to embrace the natural beauty of Collaroy and Long Reef Headland. Boasting resort-style living, complete with a sparkling in-ground swimming pool and ocean and district views, it creates a holiday atmosphere. The flexible floorplan offers the possibility of multigenerational living, with versatile zones to accommodate various lifestyles. Expansive raked ceilings enhance the sense of openness, while glass sliding doors seamlessly connect the indoor living areas to the alfresco space, where tranquil views of the bushland reserve await. Located a stroll to the sandy shores of Collaroy Beach, ocean pool, trendy eateries, IGA supermarket, cinema, and express city buses.
