Nestled in a tranquil street just a stone's throw away from the breathtaking Maroochy River, this spacious home is perfect for accommodating a large family and includes a private self-contained space that was previously used as a home child daycare for several years. This functional home boasts 5 generously proportioned bedrooms, each including built-in robes to provide ample storage space. The master bedroom features an expansive built-in robe and a private ensuite. The property encompasses a harmonious living and dining space, as well as a functional kitchen with a convenient service hatch to the hallway. Toward the rear of the residence, a self-contained room is fitted with abundant storage, a compact kitchen, generous sized ensuite, and direct access to the backyard. A perfect space for additional family members or guests who may visit, otherwise you could utilise the space as a home office. Stepping into the backyard, you will find a spacious covered outdoor entertainment area, a low-maintenance yard, and well-manicured gardens with side access. Additionally, a fenced yard with a garden shed enhances the outdoor space. For those who need a dedicated workspace, a distinct study/office area is also available. Features: - 5 bedrooms with built-in robes - Separate self-contained space - Electric cook top and dishwasher - 3 bathrooms with separate toilets - Main bathroom includes bathtub - Separate laundry - Secure garage space - Under cover carport area - Fully fenced yard with garden shed - Front deck area and covered back patio This property offers an enviable lifestyle, situated in close proximity to the Maroochy River and Chambers Island. It is conveniently located near Sunshine Plaza, various dining options, cozy cafes, Maroochydore CBD, and our pristine beaches. Public transport and access to the Sunshine Coast Motorway is conveniently close by. Everything the Sunshine Coast has to offer is on your doorstep.
