Handy to Everything

If you are looking for a house to "Flip" this one should get your attention as the early demolition works and rubbish removal have already been done.

Located in the established residential area of North Mackay, in close proximity to the City Centre, Schools and shopping facilities this low set weatherboard home is a blank canvas waiting to evolve.

Externally the dwelling is in good condition comprising weatherboard, iron roof and aluminum framed windows. The interior has been completely gutted back to the timber floor and hardwood timber frame.

The interior will require re-sheeting, plastering and painting, electrical and plumbing fit out, new kitchen and bathroom, floor covering and final presentation touches.

The end result and adopted floor plan will be up to your imagination. The dwelling currently includes a ground level garage, and the level corner allotment is fenced.
