Stunning & Spacious Heywood Family Home

Discover 50 Markham Street, a spacious 4-5 bedroom, plus study, 2 bathroom, 2 living area home meticulously cared for and promising a modern and comfortable lifestyle for your entire family.

Offering modern styles combined with homey comfort, the house has been extended allowing for plenty of space for the growing family - throw in the 972m² block and want more could you need? Well, it has also been rewired, replumbed, restumped, has a 7 year old roof and is freshly painted throughout.

The 4-year-old, very chic kitchen is the heart of the home and provides ample prep space thanks to the granite benchtops and island bench. Modern appliances—down to the lighting—plus a dining area, huge walk-in pantry, soft-closing, and push-open cupboard doors make this space ideal for a casual meal or family get together.

Completing the original part of the home are 3 large bedrooms - one that includes a gas heater and original mantle and is large enough to easily use as another living room or rumpus room for the kids. There is also an additional room currently used as storage, but with plumbing nearby, the option of an extra bathroom is in play making this a 3 bathroom, 4 toilet home!

Heading up the sunlit hallway that overlooks the impressive decking and invites a wealth of sunshine, you walk past the main bathroom and tidy laundry on your way to the massive open living space with wood heater and reverse cycle.

Completing the interior of the home is a bedroom with ensuite (bath and vanity) and a roomy study.

Step outside to the large decking and into the low-maintenance and private yard and take in the privacy and space for the kids to run around.

The garage is a great set up for a studio or teenagers retreat but has ample room for the family car and a small workshop. Seize this opportunity to make your dream family home in Heywood a reality as this home is move in ready.
