For those wanting to break into the market then this two-level home is a must see! Loads of potential is on offer here with this brick and cladded home, tiled roof and flat block. The upper level consists of three bedrooms, a bathroom with separate toilet, lounge and combined dining room, separate sun room area, u-shaped kitchen and timber floorboards. Downstairs offers a large rumpus area perfect for the kids to play or use as an office for those working from home. The large laundry also offers additional storage space. One of the main features of this home is the large timber deck perfect for relaxing and entertaining which overlooks the large flat backyard. There are heaps of potential to add the pool, shed or landscape gardens and offers the privacy of having no neighbouring property over the back. Riverview is approximately 31kms from the Brisbane CBC and a growing suburb within the Ipswich region. Be sure to inspect this property at the first open home on Saturday the 3rd of January.
