Whether you are looking to break into the market or looking for a central investment to lease or AirBnB, this home will certainly suit a variety of buyers. Located in a quiet but central location only minutes to the CBD, supermarkets, dining and health services, this well kept 3 bedroom home is move in ready but also allows itself to cosmetic updates and improvements. Possessing an open and spacious kitchen and dining area as well central, light-filled, living space with gas log fire, split system heating and cooling as well as an additional gas heater. Externally the low-maintenance allotment sits on approx. 352m² and is nice and secure with a rear courtyard and single lock up garage. The front yard is well maintained and provides great street appeal with the scope for additional gardens to suit the avid green thumb or remain neat and low maintenance for those looking to invest.
