## Ultra-contemporary domain for luxury family style

It's very rare to find a home with such a dramatic sense of presence even before stepping through the front door. Once inside, expectations are far exceeded by everything, from the stunning architectural design and use of space to the high level of finish and attention to even the smallest of details.

This is not just a home you live in, it's one you experience. Every room makes an impact and leaves you with an uplifting sense of openness, light and quality.

It is both boldly contemporary and warmly inviting with its extensive use of glass, stone and elegant timber finishes and provides a luxury living environment that is perfect for those who love to entertain.

- Double brick build, custom designer finishes, unique one of a kind home
- Generous North facing 701sqm block with immaculate landscaped gardens
- A supremely spacious open living area that integrates with the outdoors
- A showpiece chef's kitchen with marble bench and full butler's pantry
- Five bedrooms include a downstairs guest bedroom/study and ensuite
- Luxury master with walk-in, deluxe ensuite and balcony, designer robes
- Automatic double garage with storage space and glass viewing pod
- Ducted air conditioning, alarm security, CCTV and video intercom entry
- Close to Strathfield Park, the Plaza, local elite schools and transport
