Unique Solid Concrete Home

This unique solid concrete home is situated on a spacious 1012 sqm block with the added privacy of no rear neighbours. The property features three bedrooms, each equipped with ceiling fans, and two of the bedrooms also have air conditioning for added comfort. The separate living room provides a distinct space for relaxation, while the kitchen, finished with laminated surfaces and equipped with gas hotplates, offers a functional area for cooking.

The bathroom is designed with a tiled floor, a vanity, a recessed shower, and a separate toilet for convenience. The home includes an internal laundry that opens onto a covered back patio, perfect for outdoor activities or relaxation.

Additionally, there is a side lean-to carport with access to the laundry, enhancing functionality.

The rear of the block is fully fenced, providing security and privacy. The property also includes a double lockable garage for secure parking or storage and is equipped with solar panels, making it an eco-friendly choice. Contact Anne Moloney for a private inspection.
