## Renovated Four-Bedroom Home with Timeless Charm

Situated on a flat block in the heart of Mayfield, this beautifully renovated and maintained four bedroom family home perfectly blends timeless charm with modern convenience. Period features have been lovingly preserved, enhancing the character and warmth of the property, while recent updates ensure all the comforts of contemporary living. Some of the updates that have been completed over the past few years include new roofing, new guttering, renovated bathrooms and kitchen, to name a few. This beautiful home offers modern functionality with a touch of elegance. The light-filled living spaces are accentuated by high ceilings, creating an airy and inviting atmosphere throughout. The four spacious bedrooms all contain ceiling fans, three have wardrobes with the master containing a large walk-in wardrobe. A standout feature of this property is the generous double garage, which includes a workshop space ideal for hobbyists or additional storage. For even more parking options, the double carport provides extra space for vehicles or outdoor gear. The backyard provides ample space for family entertaining and children to have room to play. The gardens have been thought out with the use of natives and fruit trees including, olives, lemons, apricot and nectarines. With its perfect blend of style, space, and practicality, this home is ideal for families or anyone looking to enjoy the relaxed lifestyle Mayfield has to offer.
