Radiating with timeless sophistication and a complementing modern vogue, this stunning 4-bedroom home showcases a space primed for elegant family living in one of Sandhurst's most desired family locations. Its modern facade gracefully echoes into its interior, where a crisp colour palette underscores its revitalised modern aesthetic. A romantic formal lounge stands separate from a substantial family and dining design, wonderfully zoned around a stylish and spacious kitchen with a 900mm gas cooker, a Miele dishwasher and a lovely island design. The alfresco area extends the living space outdoors through sliding doors, featuring an abundance of space before a sprawling garden perfect for moments of peace and leisure. The main bedroom boasts a walk-in robe and ensuite, while three additional robed bedrooms offer space and style around a central bathroom, toilet and laundry. The addition of ducted heating, split-system air conditioning, and an extra-wide double garage enhances this beautiful home beyond compare, positioned for family enjoyment in a peaceful locale just moments from Sandhurst Club dining and recreational facilities, Champions and North Course trails, and Carrum Downs shopping and schooling amenities.
