What you need to know about the location....Located in the City of Wanneroo, Yanchep is one of WA's fastest-growing suburbs, and it's grown significantly from its humble beginnings as a small fishing community. Interestingly, that relaxed vibe still exists today, despite the significant growth set for the area, which is why we chose Yanchep as the perfect spot for the Vertex community. And with beautiful natural bushland, pristine white beaches, and access to the future Mitchell Freeway extension and Metronet rail expansion project, it's easy to see why families are making their home in Yanchep. Living in Vertex: Escape the hectic hustle and bustle of Perth and its surrounding centres, and find your secluded getaway in the north. No longer just a holiday town, Yanchep is a developing modern centre where that 'old' holiday feeling still exists. It's where old-fashioned values meet a new way of life. Location: Wake up, grab your towel, and start your day by the ocean. Spend your weekends out in nature— exploring the nearby national parks, walking trails, and golf courses. Pack up the car with the fishing rods and surfboards, and escape to the nearby camping and fishing spots that only locals know about. A secluded private estate: Vertex is a place where neighbours look out for one another, a welcoming private estate that provides its residents with complete peace of mind.
