This lovely family home is set on a large block of land boasting an array of fruit trees including lemons, limes, mandarins, oranges, avocados, mangoes, and lychees. There is also a vegetable garden ready for the budding gardener to grow their own produce. The terraced back yard has its very own fire pit - a place to sit and enjoy the peace and tranquility that Dayboro has to offer while toasting marshmallows or sharing a drink with friends. The house itself is set over 2 levels with the bottom level featuring a large kitchen, dining room, lounge room, entertaining area, full bathroom and laundry. The dining room flows out into an undercover entertaining area which overlooks the gorgeous backyard. The top level has 4 bedrooms, a study, a living room and a bathroom. The main bedroom and second bedroom open out on to a lovely front verandah with views to the mountains. The study opens on to the back verandah which overlooks the terraced backyard. There is a 3 bay shed in the yard and behind this is a chicken coop. This property really has it all including location. Not only is it close to the school and the parklands through the centre of Dayboro it is also walking distance to all our main street has to offer.
