What we love...

Low maintenance living and a fabulous location combine to provide this fantastic opportunity that will appeal to so many. A spacious, air conditioned, open plan living area is at the heart of the home with a well appointed kitchen adjoining. The main bedroom features a large walk in robe and ensuite. The two additional bedrooms are built in and all three bedrooms contain new carpet.

The home provides all the conveniences of a modern apartment without the hassle of body corporate obligations or attached neighbours.

Positioned in an ultra convenient pocket of East Toowoomba within walking distance to Queen's Park, coffee shops, schools and the weekend markets.
