Supersized Aspley Living

If you're dreaming of a home with lots of space, this is it! With 5 spacious bedrooms and an array of living areas, you'll never run out of room to spread out and relax. The grand facade, adorned with 4 tall white pillars, gives a nod to classic elegance, while the split level brick design offers both durability and style.

Step inside and be greeted by a versatile layout that's perfect for family living.

The eat-in style kitchen is perfect for whipping up delicious family meals offering a central hub for casual dining. The multiple living spaces include a living room with a window through to the kitchen, a separate lounge room downstairs, and a formal lounge upstairs featuring a charming fireplace. Need a quiet spot to read or work? There's a library on the ground floor -- this could also double as a home office!

Downstairs, you'll find a full bathroom, plus a laundry and mudroom--ideal for keeping everything neat and tidy.

Upstairs, the master suite is a private retreat with a walk-in robe, ensuite, and its own balcony where you can enjoy stunning sunset views over the mountains. The other bedrooms are generously sized with built-in robes, and one even has its own ensuite. A large main bathroom serves the remaining bedrooms.

Ducted aircon throughout ensures year-round comfort, and ceiling fans in the bedrooms add an extra touch of cool.

The outdoor space is equally impressive with a huge undercover entertaining area, a flat grassy backyard, low-maintenance garden beds, and a garden shed. Set on a 635 sqm block with a double lock-up garage, this home is perfect for family living.

Located in a family friendly Aspley neighbourhood close to parks, walking paths, public transport, shopping options like Aspley Hypermarket and Chermside Westfield, and just a short walk to Aspley State School--this property truly has it all. Come and see it for yourself!
