Look no further, this property of just under 5 acres, fenced and divided into two paddocks will delight you. A very delightful 3-bedroom country cottage you would be proud to own. Features a large rear entertaining room, a very neat, modernized kitchen, large front lounge room with closed box wood fire which opens onto the decked wide front veranda, a great place to sit and take in the fresh country air. The three bedrooms are of a good size too with A/c. The bathroom has been nicely renovated also. There are two sheds, one a lockable double garage of a good size and one farm style open machinery storage shed, the tractor and ride on mower are all part of the sale. So don't miss this one, inspection will only confirm the value here!!! Call Steve 0408759909 to book a private viewing and make it your country retreat.
