THE GREATEST SHOW-MAN!

Step into this magnificent 4-bedroom family haven, where every detail has been thoughtfully designed to elevate your lifestyle. As you enter, high ceilings greet you, creating an immediate sense of spaciousness and light. The open-plan living areas flow seamlessly, offering both elegance and functionality, while sleek tiles throughout the ground floor add a modern touch.

Imagine hosting family and friends in the gourmet kitchen, equipped with high-end Smeg appliances, a dishwasher, durable stone benchtops, and a spacious walk-in pantry. This kitchen is crafted to be as functional as it is beautiful, perfect for both everyday meals and special occasions.

Throughout the home, downlights create a warm, ambient atmosphere, enhancing your living experience. The main living zone, overlooked by the kitchen and meals area, is ideal for gatherings, while the additional two living zones on the upper floor are perfect for cozy movie nights or giving the kids their own space.

The low-maintenance backyard, surrounded by greenery, offers plenty of room for kids to play, giving you more time to relax or entertain. Double-glazed windows ensure your home remains peaceful and energy-efficient year-round, while ducted heating keeps it cozy during the cooler months.

Retreat to the luxurious master suite, featuring a large ensuite with a double vanity and oversized shower-your private oasis at the end of the day. The additional bedrooms are generously sized, with one featuring its own ensuite and built-in robes, making them perfect for growing families or guests. Practical touches like a guest bathroom on the ground floor and a double remote-access garage add to the convenience of everyday living.

Commuting is a breeze with easy access to the freeway, making trips into the city quick and stress-free. Diggers Rest train station is also nearby, providing excellent public transport options.

Families will appreciate the proximity to childcare centres and primary schools, ensuring a short and easy school run. Medical needs are well-covered with a nearby medical centre, so everything you need is just moments away.

This home offers the ideal balance of modern living in a family-friendly community, where parks, schools, shops, and transport are all just a stone's throw away.
