Just two years old and with no Owners Corporation fees to think about, this single-level home offers a modern and stylish living experience with minimal upkeep. Perfect for downsizers, first-home buyers, or smart investors, it features a generous open-plan living and dining room that caters to both everyday life and entertaining. The sleek kitchen, with its practical island bench/breakfast bar, makes cooking a true pleasure. Step outside to a paved patio surrounded by a lawn for the kids and family pet to enjoy. The main bedroom is treated to a walk-in robe and a chic ensuite bathroom, providing a private retreat set well apart from the two additional bedrooms, both with built-in robes, and positioned on either side of a stunning bathroom that includes a bath, separate shower, and a contemporary basin atop the vanity. Additional highlights include ducted heating and cooling, floorboards, a single remote garage, an off-street car space, and a water tank.
