## Unique rainforest acreage opposite Boulder Beach

Undoubtedly one of the most desirable coastal landholdings in the region, this incredible 2.514 acres of land commands elevated ocean views directly over Boulder Beach. The parcel offers the quintessential 'Byron region' blend of tranquil rainforest, lush rolling hills and the beauty of the beach. Showcasing an architecturally designed 5 bedroom residence with in-ground pool, this extraordinary property could be the ultimate family paradise just minutes to surfing beaches, Lennox village and Byron Bay.

- Just across the road from the famed 'Boulders' surf break
- Verdant farmland rises up the block to meet the serene rainforest surrounds
- Architect-designed, the exceptional five bedroom floorplan is ultra versatile
- Multiple living areas feature cathedral ceilings and classic timber panelling
- Private master suite showcases magic views, large ensuite and a walk-in robe
- Well equipped kitchen with Miele oven
- Dual living with wine cellar
- Outstanding scope to reinvent into your dream Lennox Head sanctuary
- Family-sized swimming pool, fruit trees, solar system and excellent storage
- Walk or ride along the coastal path to Boulders, Sharpes or Lennox Point
- Close to local schools, Epiq Marketplace, downtown Lennox and Ballina CBD
