## **Unlock Your Dream Home Potential in Bethania!**

Are you ready to transform a diamond in the rough into your dream abode? This 3-bedroom, 2-bathroom gem is calling all visionaries and renovators to step into a world of possibilities. Nestled in the charming neighbourhood of Bethania, this property sits on a generous 720 square meter block, offering space and potential galore!

Imagine starting your mornings with a refreshing dip in your very own swimming pool, or cozying up to the crackling warmth of the combustion fireplace on cooler evenings. The large master bedroom with its own family retreat is a perfect haven for relaxation and creative design. Timber flooring adds a touch of classic charm, while solar panels keep your energy bills in check and your eco-friendly footprint low.

This fully fenced, low-set home is ideal for first-time buyers ready to roll up their sleeves and add their personal touch. With a playground just behind your backyard and no neighbours to the rear, you'll enjoy privacy and a safe space for family fun. A one-car undercover carport and close proximity to transport and the train station ensure convenience is always within reach.

So, if you're a renovator with a vision, this property is your blank canvas. Bring your ideas, enthusiasm, and creativity-this is your chance to make this house truly your home. Don't miss out on this fantastic opportunity in Bethania- going to Auction soon and all offers will be considered before Auction - your dream project awaits!
