From the moment you step into this property, the vast view, spaciousness and style will leave you breathless. This beautiful 180 deg. ocean view home is nestled in a lush tropical garden enhancing the peace and tranquility of this stunning home. As you enter the impressive foyer and glamorous staircase, you are greeted by the incredible vast ocean views and spacious living area. This beautiful home is filled with stunning azure Whitsunday ocean colours from almost every room. Spanning over two levels, the home is luxury plus & styled with a Hamptons/beach house feel, to create the most incredible experience as soon as you step inside. The property consists of 5 massive bedrooms (2 master bedrooms, 1 on each floor), 3 bathrooms, two living areas, a pool and Gazebo. The house is extremely versatile as the lower level is completely self-contained from the upper level and can be used as an extended family/teenager retreat or Air Bnb. The ground level 5th bedroom is the most magnificent space for a home office, providing privacy separate from the rest of the home. There are so many features, it is sure to impress and must be seen to appreciate the true value.
