TERRIFIC OVER 55s OPPORTUNITY

Over 55 and ready to downsize to a low upkeep property.

Presenting a great little buy nestled at the rear of a popular and very tidy park home complex near key amenities just on Albany's outskirts.

Refreshed and well-designed, this park home also offers pleasant bush and rural views from the inviting deck and is only a few metres stroll from peaceful public open space ideal for walking your pampered pooch.

Savour the privacy and space of the rear patio and adjoining yard area, and easy access to the carport, covered potting areas, roomy side yards and a tool shed.

Relax in the home's welcoming semi-open living and dining area, with high ceilings and vinyl timber floors enhancing the sense of space and comfort.

The adjoining kitchen features modern appliances, ample storage and a green outlook from the bay window.

The rear delightful master suite has a walk-in robe and modern semi-ensuite bathroom. Nearby is a second bedroom with robe, and a neat laundry and not one but two walk-in hall cupboards.

Embrace the easy-going lifestyle.
