Privately positioned in a tranquil setting yet close to all the amenities the area has to offer, this single-level home is bathed in light and warmth, making it perfect for couples or families. The L-shaped living and dining area seamlessly merge, creating a brilliant space for daily activities and entertaining, complete with an open-plan kitchen equipped with everything you need, including a dishwasher. Step outside through sliding doors to a remarkably large, wraparound covered alfresco deck. This spacious area invites you to spread out, arrange your favourite outdoor furniture, and enjoy outdoor living, no matter the weather. The deck is complemented by a generous grassed area at the rear, adorned with towering palms that bring a tropical touch to your backyard. The three bedrooms are fitted with built-in robes and share a semi-ensuite bathroom with direct access from the main bedroom. Additionally, there's a guest powder room, laundry, split-system air conditioner in the living room, a single garage with storage and a sink to keep the family handyman happy, a water tank, a clothesline, and a long driveway. Located within the zone for Karingal Heights Primary School and McClelland Secondary College, the home is also close to The Pines Flora and Fauna Reserve, golf courses, buses, the Frankston train line, and Karingal Village Shopping Centres. It's just a short drive to Frankston Beach and offers easy access to Peninsula Link. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
